8. To avoid any irritations of the skin and to optimally support the peeling process, you must use the care products of the home care set after a GREEN PEEL® Classic treatment.

### Skin care until the Beauty Finish treatment

- Herbal Care Lotion – for cleansing and refreshment
- Special Regulating Cream or Special Care Cream mixed with Blemish Balm (Light, Classic or Honey) – as day and night care

### Skin care after the Beauty Finish treatment (6-8 weeks)

- Optimum Protection Cream SPF 30 – as day care

I have been given the products for use after the treatment at home and have been informed about the proper use of these products.

yes  no

I have been informed to avoid intensive sun exposure (tanning beds and sunbathing) in the next 6-8 weeks to protect the skin against damage caused by UV rays and hyperpigmentation.

#### Important!

- **Do not apply any peeling** product 4 weeks after the herbal peeling treatment!
- The extent of peeling does not influence the effectiveness of the treatment!  
e.g. the skin of smokers, sun-damaged or very rough skin can react with a fewer or delayed extent of exfoliation.
- Please exactly follow the instructions of your aesthetician!
